EMPLOYERS

Join us in building a smoother transition for global talents!

Make it in Munich guides **third-country nationals** (non-EU / non-EFTA countries) **who are still abroad** in their legal **migration to Munich**. We support skilled professionals and young talents in their **transition**, professional **development**, and **integration** into the city.

We provide free **qualification** and **pre-integration** offers to help internationals prepare for their careers and integrate into Munich—even before they arrive. When they receive orientation and qualification support before moving, their transition and integration into the Munich labor market and society will be smoother.
